- Resource mobilisation
- Enhanced cooperation for the financing of economic and social development
- Acceleration of processes of economic integration in the African region
- Cost reduction
- Effective risk and control environment
- Talented and engaged staff
- Improved member institution satisfaction
- Improved stakeholder relations

Key Responsibilities

1. Strategy and Policy Development

- Develops and implement the Association's strategic plan and support the key business objective of the Association.
- Assists the Executive Committee to monitor and evaluate the Association's effectiveness and performance, by regularly reporting progress on activities of the Association in line with set objectives.
- Develops policies and strategies for adoption by the Executive Committee to proactively promote economic and social development in Africa.
- Reports periodically to the Executive Committee on the performance of the Association against set targets.
- Monitors and evaluates effectiveness of the Association's operational activities to ensure that the Association carries out and achieves its strategic mandate resulting in the desired economic integration in the African region.
- Performs additional duties as may be directed by the Executive Committee.

2. Stakeholder Management

- Develops and maintains effective strategic relationships with key stakeholders including international organisations, cooperation agencies, other development bank associations, university centres, research institutes and governments of member DFIs.
- Develops a wide range of strategic relationships and networks internationally.
- Liaises and maintains relationships with the African Development Bank and its various structures.
- Assumes ultimate responsibility and accountability for decision making through liaison with the Executive Committee and key stakeholders.
- Supports member institutions as per mandate.

- Represents and act as ambassador of AADFI at most senior levels, locally and internationally.
- Anticipates political, social and economic issues likely to affect AADFI in a bid to achieve its mandate, lobbies to industry and government and recommends appropriate action to leadership of the host country to ensure a positive operating environment for AADFI.
- Works with partner institutions and other key stakeholders in the areas of economic and social development to promote cooperation for the promotion of economic and social development as well as for acceleration of economic integration in the African region.
- Promotes cooperation and ensures coordination among members of the Association.

3. Financial Management and Reporting

- Ensures strict adherence to prudent financial management principles and reporting in accordance with set international standards.
- Mobilizes financial and technical resources from multilateral DFIs and donors for the Association's activities.
- Plans and implements resource mobilisation activities, including identifying resource requirements, researching funding resources, establishing strategies to approach funding agencies and submission of proposals to the Executive Committee for approval.
- Oversees Association's budget formulation and implementation as well as management of Association's financial resources.
- Recovery of subscription arrears from member institutions.

4. Corporate Governance and Risk Management

- Interacts with the Executive Committee to promote the effectiveness of the Committee and enable informed decisions through provision of accurate information, sound advice and feedback on the structure, objectives, strategies, plans, policies and performance of the Association.
- Ensures provision of effective corporate secretarial services to the Executive Committee and the General Assembly.
- Ensures idea governance and risk management structures are developed and implemented for AADFI to minimise risks and protect all assets of the Association.
- Oversees and takes steps to enhance reliable internal control systems and ensures these are implemented to identify and manage principal risks of AADFI.

5. Human Resource Management

- Provides strategic leadership and ensures the existence of policies to attract and develop talent, drive employee engagement, institute performance management and retain talent in alignment with the set strategic objectives of AADFI.
- Builds a strong, talented and effective management team to ensure achievement of the objectives of AADFI.

6. Administrative

- Implements the day to day administration of the Association.
- Organizes Effectively Association's key activities including conferences, seminars and workshops.
- Organizes Effectively the Annual General Assembly and Executive Committee meetings.
- Prepares of the records of meetings of the Executive Committee and the General Assembly.
- Prepares, submits to the Chairman for approval and implementation of the programme of missions for the members of the Executive Committee, the Secretariat and any other person authorised to participate in the Association's activities.
- Oversees adherence to set service levels and standards of the Association.

7. Any Other Duties

- Undertakes such and other related duties as directed by the Executive Committee and the General Assembly

Remuneration (Gross Annual Salary)

The position will be at **PS Level** with a competitive annual salary and fringe benefits such as home leave, medical insurance, and retirement benefit.
